

REMARKS

The above-captioned application, prior to examination, has been amended. Claims 1-5 have been amended to remove the two step format, to remove reference numerals, and to correct obvious antecedent bases problems. The Abstract has also amended to improve the readability thereof. To that end, no new matter has been added. Entry of this Amendment is respectfully requested.

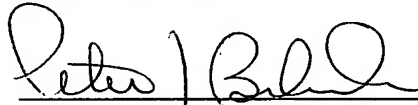

If the Examiner wishes to expedite disposition of the above-captioned patent application, he is invited to contact Applicant's representative at the telephone number below.

The Director is hereby authorized to charge any additional fees associated with this communication or credit any overpayment to Deposit Account No. 50-0289.

Respectfully submitted,
